

HELP WANTED

The Northeast Florida Intergroup serves Duval, St John's, Clay, Nassau, Baker and Putnam counties, as well as the cities of Folkston and Kingsland in Georgia. It takes many AA members and a lot of 7th Tradition Donations to keep spreading the word and to ensure that whenever anyone asks for help, AA is there. We carry the message to treatment centers and homeless shelters, correctional facilities, corporate and public health fairs, schools, courts, churches and many other places. Try to imagine what your life would be like if you had never heard of AA. Scary, huh? If you are interested in giving back by helping others, please contact one of the committees below. It doesn't matter how many days you've been sober. There's something for everyone.

WE REALLY NEED YOUR HELP-WE CAN'T DO IT WITHOUT YOU

COOPERATION WITH THE PROFESSIONAL COMMUNITY AND PUBLIC INFORMATION (CPC/PI)

CPC/PI provides information to clergy, educators, healthcare professionals, lawyers, judges, corporations, government workers and others about what AA is and what it isn't. They attend health fairs or make presentations at conferences, schools and community events to spread the message of AA. They provide public service announcements to the media and sometimes are asked to do anonymous interviews on the radio or television.

If you are interested in volunteering to help with CPC/PI, please contact:
